

REMARKS

Claim 29 is the only claim pending as of this Preliminary Amendment. In a restriction requirement issued as part of the Office Action of May 18, 2000 during prosecution of the parent application, the Examiner identified this claim as a "Group II" claim "drawn to a method of making a container capacitor, classified in class 438, subclass 387." Applicants have deleted an inventor accordingly. If there are any matters which may be resolved or clarified through a telephone interview, the Examiner is requested to contact Applicants' undersigned attorney at the number indicated.

Respectfully submitted,

Date: 8/31/00
